**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access in our country already lags behind many other parts of the world in terms of speed, yet costs more in many places. Eliminating competition in this space will only limit access and stifle innovation. The large corporations that back this won't provide local jobs the way smaller ISPs do. Don't do it.
